## **Taylor Management Company Sponsors and Participates in The Lincoln Tunnel 5K Challenge to Support the Special Olympics of New Jersey**

Weehawken, New Jersey, April 17, 2011 – Taylor Management Company was a corporate sponsor of the 25<sup>th</sup> Anniversary Lincoln Tunnel Challenge, which benefited the Special Olympics of New Jersey. This year, the LTC5K broke records: 3,500 runners raised a total of \$210,000. Taylor associates, friends and family members ran the tunnel as a team and raised over \$1,000 in two weeks. Taylor Management Company would like to thank Wilkin and Guttenplan, CPA's, Mackoul Insurance and BHB Insurance for their generous team donations.

All proceeds from the Lincoln Tunnel Challenge benefit New Jersey's Special Olympics athletes and foster the Special Olympics mission:

To provide year-round sports training and competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate sharing of gifts, skills and friendships with their families, other Special Olympic athletes and the community. Currently, there are more than 21,000 athletes with intellectual disabilities, who train and compete throughout New Jersey in 24 sports, participating in more than 160 competitive events.

Robert Fredericks, a Special Olympian for the past 24 years, spoke during the awards ceremony. "Special Olympics has taught me and my fellow athletes to never give up, no matter what the score is or how far behind you might be in a race, or even in life." Robert reflects the Special Olympics oath which states, "Let me win, but if I cannot win, let me be brave in the attempt." At the conclusion of Robert's speech, he thanked all of the generous people who have made contributions to Special Olympics. "Because of ALL OF YOU, there are many athletes around the state who have proven that success in life can be inspired by success on the playing field."

Taylor looks forward to working with Special Olympics New Jersey in the future and growing our running team for next year's challenge! Thank you again for all who participated in this heartfelt event.
